

Day One Summit Conference – Thursday 30 March: Mainstreaming Impact. It's time!

7:30AM

Making of the Orange Bonds Movement – IIX Hosted Breakfast

The Orange Bond Initiative is a new asset class for gender-lens investing where women, girls, and gender minorities are recognised as solutions to global issues such as climate change, not just victims. Join us as we discuss the Initiative's commitment to mobilise US\$10 billion for Orange Bonds and how Australia has been playing a key role in empowering 100 million women and girls across the world by 2030.
